IMPORTANT REMINDERS

You may fill out an application online or fill out a paper copy (available online or in the office). Examples of acceptable forms of identification include a driver's license or passport for the government issued photo ID, and a social security card, debit/credit card, health insurance card, etc. for the second form of ID. A deposit equal to approximately twice the highest estimated monthly bill or suitable guarantor's agreement may be required of any Customer. All activations for new service require a payment of \$25 for next day service or \$50 for same day service. All delinquent amounts, collections charges and deposits must be paid in full prior to connection.
